

How to use

- 1** **Placing:**
- Collect your crates and dollies
 - Place 1st empty crate on crate dolly
 - Roll the crate to the items to be packed

- 2** **Packing:**
- Pack files and contents up to the line a half an inch below the top of the crate
 - Close the lid

Stack
crates
4 high
on dolly

- 3** **Stacking:**
- Place 2nd empty crate on top of the 1st, fitting it snugly between the interlocking notches
 - Repeat packing steps
 - Continue process up to 4 crates high

- 4** **Ready to Go!**
- Affix Bungobox move labels and security ties on ends of the crates for easy identification
 - Your mover can now quickly roll the stack away

- 5** **Unpacking:**
- Simply reverse the process, nesting 1 empty crate inside another when done
 - Leave the dolly under the nested stack for mobility
